This matter is before the court on defendant's Motion to Continue Trial [64]. For the reasons set forth in the motion and the communication the court had with the attorneys, the undersigned magistrate judge finds that good cause exists for the requested continuance. For good cause shown,

IT IS ORDERED that the Motion to Continue Trial [64] is granted, as follows:

1. The jury trial now set for October 4, 2022, is continued to **January 3, 2023**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendant in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and January 3, 2023**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(7)(A) & (B)(iv).
3. **No further continuances will be granted without counsel for the parties requesting a hearing before the undersigned magistrate judge.**

DATED: September 21, 2022.

BY THE COURT:

United States Magistrate Judge
